20th INFORMATION DISCLOSURE STATEMENT

Sir:

Applicant hereby voluntarily discloses the information listed on the attached Form PTO/SB/08A to the Commissioner for Patents. The citation of information on the attached Forms, "List of Art Cited by Applicant" is made pursuant to 37 C.F.R. §§ 1.97 and 1.98. A copy of each cited item is enclosed unless stated otherwise hereinbelow.

By the Waiver in the OG Notice dated August 5, 2003, the Patent Office established that "[t]he Office ... waives the requirement under 37 CFR 1.98(a)(2)(i) for submitting a copy of each cited U.S. patent and each U.S. patent application publication for all U.S. national patent applications filed after June 30, 2003.

With a view to the above, the following summarizes the status of copies of listed information provided with the instant Information Disclosure Statement:

- copies of Items H-L are attached hereto.
- copies of Items A-G are not attached.

Citation of this information does not constitute an admission that any of the materials are available as a reference, does not constitute an admission of priority, does not constitute an admission that any information cited or provided hereby is "material," and does not constitute a waiver of any right applicant may have under applicable statutes, Rules of Practice in patent cases, or otherwise. Without limiting the foregoing, Applicant specifically reserves the right to establish the patentability of the claimed invention over any of the listed information should they be applied as references, and/or to prove that some of the cited information may not be prior art, and/or to prove that some of the cited information may not be enabling for the teachings they purport to offer.

This statement further should not be construed as a representation that an exhaustive search has been made, or that the information cited herewith is material, or that there does not exist information more material to the examination of the present Application. The Examiner is specifically requested not to rely solely on the information submitted herein. On the contrary, the Examiner is requested to conduct a thorough review of the information, and to form independent opinions as to its significance.

It is respectfully requested that the Examiner initial and return copies of the enclosed form(s) PTO/SB/08 and indicate in the official file wrapper of the above-identified patent application that each item of the cited information has been considered.

The Commissioner is hereby authorized to charge any additional fees that may be required, or credit any overpayment to account no. 09-0528.

Respectfully submitted,

Louis T. Isaf
